Imagine waking to the sound of the waves lapping at the water's edge on a summer's morning, the sun streaming through the window and catching the sparkle of the diamond like reflections as they hit the wave crests on their never ending journey to the shore. In contrast, curl up beneath the bedclothes safe and warm whilst the November gales lash the rain against the windows and the rollers crash with a roar, headlong on to the pebbles. Just a dream? Well this dream could become a reality with this **DETACHED BEACH~SIDE RESIDENCE**.
