"You can't tell a book from its cover". A phrase which aptly describes how one should approach looking at property. All too often prospective purchasers fail to look further than the outside, missing the opportunity of "falling" for the interior. In the case of this **COTTAGE STYLE END~TERRACE HOUSE** the accommodation belies the exterior appearance with surprisingly spacious dimensions and clever design. Offered for sale with the benefit of gas fired central heating plus uPVC framed double glazing, this is genuinely a property that requires internal inspection to fully appreciate the qualities on offer. Make an appointment to view through **May's** – The Village Agents today !!

Directions: From May's village centre office, proceed north to the traffic lights and straight across into Downview Road. Turn right into George IV Walk and then left into Mornington Crescent. Haywards Close is the 4th turning left and the property is located in the cul-de-sac on the left.
