"Sussex is certainly a happy place and Felpham in particular is the sweetest spot on earth," wrote William Blake (poet and mystic, 1757–1827) – and who could argue with his description? If village centre life is your aim, this end terrace period house might just be for you. Forming part of a larger residence, separated some 18 years ago, and **located right in the heart of Felpham village**, the property offers ready access to local amenities including the beach, shops, church, and a selection of pubs.
