Why, after 16 years of happiness in a home that one has loved and nurtured, would you decide to move ? Well in the case of this **DETACHED CHARACTER RESIDENCE** the answer is quite simple – it has become too large. As often happens, circumstances have changed leaving much of the accommodation under-utilised and superfluous to requirements. Apart from the interior there is a 70ft south facing rear garden within which the children can create their own "adventure playground", or perhaps the keen gardener could continue the enthusiastic programme of landscaping that the present owners have created. The design of the accommodation provides a southerly aspect to all main rooms, including the Sitting Room, Dining Room and 3 of the Bedrooms. Designed for the growing family, the front garden has been planned to provide a good degree of privacy, but with the added benefit of provision of parking for several vehicles – important in this day and age of the car ! Add this to the **gas fired central heating system and uPVC framed double glazed leaded light windows** and you may start to appreciate some of the features on offer. It is impossible to adequately describe on paper the atmosphere within this comfortable home so why not take a look for yourself.

From a facilities point of view, the area is served by the village centre of Felpham, some 1/2 of a mile away, and Bognor Regis town centre some 1.5 miles further on. Major retailers such as Tesco, M and S, plus Sainsbury's are all within ready access, whilst more local shopping can be found at Tesco Express nearby. Direct railway access to London Victoria is available from the main line station at Bognor. Apart from the direct access to the seaside, the leisure options of the South Downs National Park lie within 10 miles, whilst the historical centres of Arundel and Chichester prove another local draw. It is impossible to adequately describe on paper the atmosphere within this comfortable home so why not take a look for yourself. Telephone **May's** for an appointment to view. Perhaps this could be your home for the next generation ?
