Security in retirement. This is pretty much a priority as one gets older and in response to this need a variety of developments have sprung up across the area to provide this function. One such development is **GERARD LODGE**, located just on the outskirts of Bognor Regis and comprising some 47 flats of varying shapes and sizes, something to meet a multitude of differing requirements. One of these units has just come into the market. Situated on the **FIRST FLOOR** is this **ONE BEDROOM** example, and offering the benefit of a mainly south/westerly aspect with **BALCONY**. To add to the security, there is an on-site manager and 24 hour centralised monitoring. Communal facilities include a Residents Lounge plus on-site Laundry Room. So if this description matches your criteria, call **May's** for an appointment to view.
