Details: **Conversion of Chapel to form Dwelling, at Methodist Church Station Road Burnham Market Norfolk**

The Town and Country Planning Act 1990 (as amended)
The Town and Country Planning (Development Management Procedure) (England) Order 2015

Permission is granted for the carrying out of the development referred to above in accordance with the application and plans submitted subject to compliance with the following conditions:

- The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
- The development hereby permitted shall be carried out in accordance with the following approved plans: PROPOSED: PLANS AND ELEVATIONS, Drawing Number: 1608-02 c.
- Notwithstanding approved plans, prior to occupation an appropriate scheme for the storage of waste and recycling along with details for presentation/collecton has been submitted and approved in writing by the Local Planning Authority. The scheme shall be fully implemented prior to occupation and retained thereafter for this purpose.
- Prior to occupation, a scheme for covered and secured cycle parking shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be fully implemented prior to occupation and retained as permitted in perpetuity.
- The hedge to be removed on the eastern boundary shall be limited to that show on PROPOSED: PLANS AND ELEVATIONS, Drawing Number: 1608-02 c and the remaining hedge retained as detailed. Should any part of the hedge within a period of 5 years from the completion of the development die, be removed or become seriously damaged or diseased, it shall be replaced in the next planting season with a replacement of similar size and species as originally planted, unless otherwise agreed in writing by the Local Planning Authority.
- Prior to occupation, a scheme for electric vehicle charging point(s) shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be fully implemented prior to occupation and retained as permitted in perpetuity.
- Notwithstanding the provisions of Schedule 2, Part 1, Class A,AA,B,C,D and E of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification), the enlargement, improvement or other alteration to the dwelling house, enlargement of a dwellinghouse by construction of additional storeys, additions to the roof of a dwellinghouse, porches and buildings incidental to the enjoyment of a dwellinghouse shall not be allowed without the granting of specific planning permission.
- Development proposals should respond positively to the dark skies environment in the neighbourhood area. Any external lighting should be:
 - Fully shielded (enclosed in full cut-off flat glass fittings).
 - Directed downwards (mounted horizontally to the ground and not tilted upwards).
 - Avoid dusk to dawn lighting by introducing timed motion detectors; and
 - Use low-energy lamps such as LED, metal halide or fluorescent sources.

This planning application is liable for the Community Infrastructure Levy (CIL) in accordance with the Community Infrastructure Levy Regulations 2010 (as amended).

Please ensure that before you start work on site you submit the CIL Form 6 Commencement Notice.

Further information can be found on our website: www.west-norfolk.gov.uk/CIL

Please note the completed S106 Agreement that secures the new dwelling as a Principal Residence.

Please note that any conditions that may be attached to this decision notice form an integral part of the permission. Failure to comply with any conditions could lead to enforcement action or the need to submit a further formal application.

In accordance with the NPPF, in determining this application for planning permission, the Borough Council has approached it in a positive and proactive way, and where possible has sought solutions to problems to achieve the aim of approving sustainable development. As such the development hereby approved is considered to represent sustainable development.

Section 33 and 34 for the Environmental Protection Act 1990 place a duty on developers to ensure that they manage and dispose of waste appropriately, this includes preventing the escape of waste by storing it in containers that are clearly and correctly labelled, suitable for the waste and designed to prevent leakage or waste being wind blown off site. You should also ensure that you keep waste transfer records and only transfer waste to an authorised person.
