

15, 15A & 14A THE PARADE, SWANAGE
£995,000 FOR THE FREEHOLD

Extremely rare opportunity to acquire a substantial freehold property situated in an unrivalled position virtually on the foreshore overlooking Swanage Bay.

This spacious building dates back to the first quarter of the 20th Century with accommodation arranged on three floors. The ground floor comprises a commercial unit which has been used as tea rooms for several years. It incorporates two extensive seating areas, one at the front the other at the rear of the building on the promenade. It is currently let yielding a rental of £2,000pcm.

On the first and second floor above part of the tea rooms there is additional accommodation (No 15A) which is accessed from the side of the building. This part of the property would benefit from some moderisation to allow its full potential to be fulfilled. It could offer a living room with panoramic sea views, and 2 bedrooms on the top floor, 1 of which overlooks the sea, subject to planning consent.

There is a generously sized first and second floor maisonette (No 14A) which is approached by an external staircase. This is let for holiday purposes during the summer months and provides an excellent income. It offers a living room with panoramic sea views and 3 bedrooms on the top floor, 2 of which are overlooking the sea.
