

FLAT 5 GRAYSTONES, 20 BURLINGTON ROAD, SWANAGE
£255,000 Leasehold

Flat 5 Graystones is an immaculately presented apartment situated on the first floor of a substantial detached building, located in a fine position on the clifftop at North of Swanage approximately 1 mile from the town centre. The original property is thought to have been built around the turn of the 20th Century although altered, extended and converted into separate apartments during the 1980s. It is of traditional cavity construction with external walls mostly of natural Purbeck stone under a pitched roof covered with clay tiles with flat secondary roofs.

The apartment offers spacious, well presented accommodation with considerable advantage of fine views across Swanage Bay to the Isle of Wight in the distance from the living room.

Swanage lies at the eastern tip of the Isle of Purbeck delightfully situated between the Purbeck Hills. It has a fine, safe, sandy beach, and is an attractive mixture of old stone cottages and more modern properties, all of which blend in well with the peaceful surroundings. To the south is Durlston Country Park renowned for being the gateway to the Jurassic Coast and World Heritage Coastline.
