A very substantial and individual detached property, situated in a very tucked away but central location for Malvern, within easy reach of the railway station, common, Malvern Hills and other facilities. The property was built by the current owners in 2010 and comprises; porch, reception hallway, large sitting room, open plan kitchen/dining/family room, utility and WC. There is a lower ground floor with a good size cinema room and additional storage. On the first floor are four double bedrooms, master ensuite and a family bathroom, with two further double bedrooms on the second floor. There is a block paved driveway for 4-5 cars and a large timber shed/workshop, a cycle store and an additional store.
