GARDENS

To the front of the property is a narrow front garden which separates it from the road, mostly laid to low level shrubs with a path giving access to the front door. To the side of the property sits a gravelled driveway for parking for two cars. A gate opens from the driveway to a stone seating area with space for table and chairs and al fresco dining accessed from the family room. The oil fired Worcester boiler is hidden discretely to the rear of the property. Steps lead up from the seating area to a long levelled lawn with the majority of the boundary being laid to mature beech hedging. To the rear of the garden with a trellis screen, sits a utility area with space for composting and two timber garden sheds.

DIRECTIONS

From Malvern proceed through Barnards Green and leave in an easterly direction along the B4211 Guarlford Road, continue for some distance passing through the village of Guarlford and at the T-junction (Upton to Worcester Road) turn right towards Upton. After two miles you will enter Hanley Castle and at the Hanley Castle High school take a right hand turn into Church End. Continue for approximately 130 yards and the property can be found on the right hand side, as indicated by a For Sale sign. AGENTS NOTE - RECENT WORKS

The current owners have carried out sympathetic and significant repairs since their purchase from the Lechmere Estate in 2016. All advice was sought from the Society for Preservation of Ancient Buildings (SPAB). Work was completed by timber frame experts Robert Demaus and carpenter Ben Hornberger. under guidance from structural engineer Sinclair Johnson. Planning, Listed Building Consent and Building Regulations were managed by Nik Joyce Architects in Worcester.

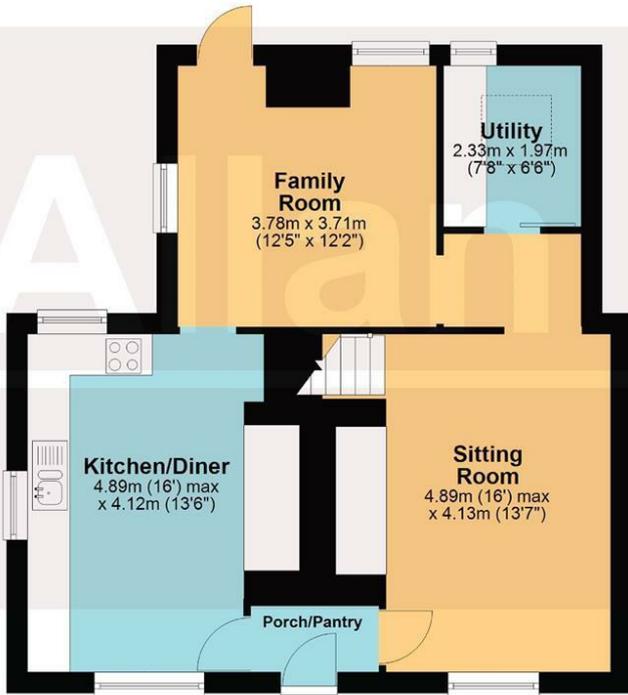

Works have also included: All new electrical wiring, plumbing and heating system. New oil tank. Extensive insulation throughout with a combination of sheep wool, cork and wood wool boards with a thick lime plaster over. Internal timbers have all been stripped and finished with a lime wash to lighten and preserve the wood. All windows and doors have been replaced with solid oak, conservation grade double glazing by AJB joinery in Hanley Castle. Guttering and drainage all replaced
