Walwyn Road, Upper Colwall, WR13 6PT

Rose Cottage is a rare opportunity to acquire a historic period cottage on the upper slopes of the Malvern Hills, close to the most popular village of Colwall, with its vibrant community, facilities and transport links. The cottage has been carefully refurbished and upgraded by the vendor, creating a charming characterful residence in a secluded yet convenient position. Comprising; dining kitchen with modern fitted units and an AGA, sitting room, with bay window and fireplace, two bedrooms, main bedroom overlooking the southerly part of the gardens, bathroom, rear porch/hallway and a store room. The property is double glazed, centrally heated and immaculately presented in nearly new condition. The gardens are in two sections, initially the well stocked southerly garden has a patio seating area and beds full of flowering and shrub planting. The other section is where the off road parking is found and has a hardstanding for a potential garage, vegetable garden and space for further cultivation. The cottage is accessed via an unmade track on common land, with right of access and shares the track with just two other residences. Offered with no chain, this is a property not to be missed.
