About This Property

We are pleased to present this detached bungalow which is available with no upward chain! This property offers a prime chance for buyers looking to make a home truly their own. While the property does require modernising, there's lots of potential and it would be an ideal choice for those seeking single-storey living close to essential amenities and transport links to Nottingham City Centre.

Upon entering, you are greeted by an initial entrance hall which in turn leads to the good-sized lounge, accentuated by a feature fireplace and offering flexibility given that it could alternatively serve as the second bedroom if desired.

The main bedroom is positioned at the front and is equipped with fitted wardrobes. Adding to the versatility of the layout, the rear of the bungalow features a sitting room which could instead function as the second bedroom and has direct access to the garden, adapting to various living requirements.

The dining kitchen is practical with a fitted range of units and presents the option to include the existing freestanding appliances. The kitchen also houses the regularly serviced Worcester boiler which powers the central heating system.

The property is then complemented by a bathroom which is currently fitted with a two-piece suite and has a separate WC.

Outside, the rear garden includes a lawned area with borders and an initial patio with huge scope for landscaping to take full advantage of the south-westerly facing aspect. The property also benefits from a garage equipped with power and lighting, providing substantial storage space. To the front, a driveway provides off-street parking.
