Having been constructed approximately 9 years ago the property is low maintenance and cost effective to run. Outside there is a lovely, manageable SOUTH FACING rear garden, parking to the front and an under croft LARGE GARAGE, store room and utility area. Other benefits include gas central heating, double glazing and we feel the house will suit anyone looking for little to no work to do on their next home or for anyone needing a large garage and lots of storage space!

Positioned in a quiet location, this home is only approximately 0.3 of a mile to the local shops and amenities of the village of Freshwater including a butcher, bakery, fishmonger and news agents amongst plenty of other establishments. There is also both a health and leisure centre in the village and a choice of at least 5 beautiful beaches within a 3 mile radius, including a range of activities and attractions.

Totland is a popular West Wight village with an old world feel. Many of its properties are period and there are numerous larger Edwardian style dwellings giving the village a charming character full feel. The village amenities include a salon, two convenience stores, take away shops, a car wash, garage and other shops along with restaurants situated on the bay itself benefiting from stunning views. Totland Bay is ideal for summer days or sea swims and remains popular with locals and tourists alike.
