Flat 5, Wellington Court Augusta Road, Ryde, Isle Of Wight, PO33 3AT

£299,950

'Wellington Court' is a waterside character building converted into a stylish selection of flats and apartments. It is positioned in undoubtedly one of Ryde's most sought after and prestigious locations just a few minutes from the town centre and is adjoining, or more importantly, has direct private access to the beach. This first time ever to market lower ground floor flat is to the rear seaward side of the building stepping out on to its own paved terrace and the communal grounds beyond. The unique layout provides three bedroom accommodation with the principal bedroom being en suite. The modern kitchen is finished in contemporary blue and adjoins the lounge/diner which flows seamlessly onto the private patio. There is a main bathroom and other ancillary areas for appliances. Parking is within the courtyard frontage which has a central water fountain feature in-keeping with the tone of the lovely environment which is Wellington Court. On the seaward side of the building sit the extensive waterside communal gardens and terrace which enjoy front-row seats to sea views and direct access to the beach which is just the other side of the boundary wall. We feel this peaceful waterfront setting is truly a special place to live and we recommend a closer inspection to see if you will feel the same. The convenient proximity from the town centre means you will have easy access to retail shops, a supermarket, banks, post offices and coffee shops plus many other associated facilities. Mainland high speed ferry and hovercraft connections are also within reach which will be ideal for those using this as a holiday home or residents who commute.
