Oak Cottage Eddington Road, Seaview, PO34 5EB

£415,000

There are some blatantly obvious economic and ease of maintenance benefits to purchasing such a modern home, however, Oak Cottage offers so much more. Firstly location, this house is found within the very heart of Nettlestone village positioned along the northeast coast of the Island and as such is well placed for pleasant walks to the nearby beaches of Seagrove Bay, Priory Bay and The Duver. Inland you will have access to the extensive network of footpaths and bridleways literally on your doorstep which wind their way throughout the Island. Secondly the interior has been beautifully maintained since the owner purchased from new and is well presented throughout. The most recent changes to the house are the stylish kitchen/breakfast room which now enjoys a newer range of units and the bathroom suite has also been replaced. The sensible layout sees the lounge/diner to the rear seamlessly connecting to the rear sun deck and west facing garden. Upstairs and there are three bedrooms to choose from and the modern bathroom. All mod cons as you would expect include double glazing, central heating and a ground floor cloakroom w.c. Views from the rear are of the neighbouring woodland screening the farmlands beyond and offering pleasant sunsets to this westerly outlook. A major supermarket, who currently offer a home delivery service, is less than a 10 minute drive away and there is a local store holding an extensive array of goods. There are several restaurants and waterside bars in the area plus two well known sailing clubs. Ryde is the closest principal town and here you will find regular mainland passenger travel options.
