Offers In The Region Of  
£230,000

This modern semi detached bungalow sits in a peaceful cul-de-sac nestled between the village green and the waterfront of St Helens village. This idyllic coastal village is largely centred around the village green where fetes, fairs and sporting events occur regularly throughout the year. The local shop, public house, restaurants, village school and medical centre are all positioned around the picturesque central green. Countryside mostly surrounds St Helens other than it's lovely beaches and rugged coastline which all offer miles of interesting walks, sporting pursuits and of course plenty of fresh air. The bungalow now offers great potential to modernise and update to suit your own tastes and needs and will be well worthy of your efforts. The interior is roomy combining a open plan living space with a separate kitchen and both lead to the garden. There are two comfortable double bedrooms and a modern bathroom. The living space opens onto a raised sun deck and enjoys views towards the surrounding countryside including Brading Marshes nature reserve. The south facing garden sits to the rear attracting the sun into the evening. The front driveway offers space for a vehicle and we understand there is an additional space to the rear accessed via a nearby side road. Beyond St Helens the nearest principal town is Ryde and here you will find a far more extensive selection of shops and facilities including mainland travel options. Tesco will be your closest major supermarket and they currently offer a home delivery service. If you hanker for a more peaceful lifestyle with easy access to the beach, sea and countryside then look no further.
