£294,000

This impressive semi detached home offers the level of comfort that only the spacious interior of such a characterful property will afford. Of Victorian heritage, this classic period house sits at the western reaches of the town centre perfectly positioned for the shops and facilities this bustling coastal town of Ryde enjoys. This 'ringside' position is wonderfully highlighted from the first floor where a truly interesting view takes in Ryde's townscape and a surprisingly good view of the nearby sea. High ceilings, voluminous rooms and a feature winding staircase are distinguishing benefits of this attractive home. There are two sizeable reception rooms and a kitchen/breakfast room on the ground floor and a cloakroom w.c. off the entrance hall. Upstairs and all three bedrooms are comfortably doubles with the main bedroom being very much the principal in size. The bathroom sits off the spacious landing for all to use. Parking for the property is concealed from view at the rear of the house with spaces for two to three vehicles side by side. The garden faces west attracting the sun into the evening and demolishing the current lean-to could well offer opportunity to extend, subject to all the relevant permissions. Schools for all ages are just around the corner and easily within walking distance and bus routes are just along the road taking you to and from Ryde. Ryde is well known for its beaches, highspeed mainland passenger connections and diversity of shops and services available in the town centre.
