Welcome to Lily Cross Farm, the latest development from Captiva Homes. This is a select development of 2,3 & 4 bedroom homes including bungalows. The 'Newbridge'; where tradition meets the contemporary. This stylish DETACHED home is full to the brim of appealing features. The family sitting room is wonderfully light emanating from the box bay window overlooking the pretty garden. The stunning open plan kitchen/dining/living space to the rear is similarly well lit and seamlessly connects to the garden from its deep bay. The well proportioned accommodation includes 3 bedrooms, the master being en suite, and a family bathroom for all to use. The attached garage allows for a dedicated utility area to the rear keeping base functional facilities away from the open plan kitchen/diner. This appealing development is positioned within the village of Goshill with picturesque rural surroundings and a 'postcard perfect' village centre with convenience store, buses and some wonderful establishments to eat and drink. The village sits between the Island's principal town of Newport and the popular coastal town of Shanklin. Newport town is home to the most extensive range of retail shops, services and facilities found anywhere on the Island and these will be a short car journey away. A network of footpaths and bridleways navigate the rural surroundings connecting to other well-trod routes, villages and towns. Call us on 01983 611511 to check availability for these lovely new homes. NB: Images & virtual tour used are of a show home from a previous site as a guide to how this property could look when decorated and furnished.
