Offers In The Region Of £220,000

This modern terraced house is nicely tucked away in a cul-de-sac of just five properties. It is away from passing traffic and as such is a safer and more peaceful position than many other houses in the area. The property is suitable to move in to whilst you plan and undertake general improvements to the interior creating the bespoke home you always wanted. The ground floor layout includes a generous lounge flowing through to the adjoining dining area. This sits next to the kitchen and sliding doors form here lead directly to the rear garden. This combines graveled and paved areas keeping maintenance to the minimum and should attract the sun late in to the evening as it sets in the west. Upstairs and there are three bedrooms to choose from and a bathroom for all to use. The house comes with its own garage which is part of a block of three on the west side of the terrace and this will also need some repairs. This property is well placed for the local schools, bus route and convenience store. A recreation park is just around the corner and this connects to the network of footpaths and bridleways for extended walks and exercising. Winston Close is nestled between the village centre of Binstead and the town centre at Ryde leaving a comprehensive array of retail and associated services at your beck and call. This northeast corner of the Island is fortunate to have both regular car ferry and passenger services to mainland Portsmouth and Southsea.
