11 Buckland Gardens, Ryde, PO33 3AG

£450,000

With the coastline of Ryde to one side and the bustling town centre to the other this detached chalet style property really does enjoy an enviable location. Its comfortable accommodation is presented over two floors with bedrooms on both the ground and first floor levels offering enormous flexibility and an element of future proofing for single floor living should it ever be needed. The interior is dated yet generally well presented and so it is likely that most buyers will see this as an opportunity to modernise creating a bespoke home to be proud of. The ground floor layout includes a generous sitting room and an equally spacious adjoining kitchen/diner. Two further rooms offer flexibility as reception space or bedrooms. There is a full bathroom complete with separate shower and there is a second w.c on the first floor. Upstairs, there two more bedrooms and it is here that lovely views of the nearby sea are revealed so one can sit and watch the endless procession of cruise ships and ferries which frequent The Solent. The gardens are awash with colour from the array of shrubs which fill its borders and the rear, west facing garden should attract the sun late in to the evening. The larger than usual garage sits at the side of the property and the driveway offer spaces for an additional vehicle. The proximity to the town will prove to be convenient for the new owners leaving an interesting mixture of individual shops and services well within striking distance. Ryde is also well known for its beaches and waterfront facilities which will be similarly close to hand. Here too you will find the highspeed passenger connections to the mainland for extended shopping trips and commuting. Location, desirability and opportunity are the winning combination on offer with this exciting property, call us and let us show first hand.
