

The Grove Grove Road, Ryde, Isle Of Wight, PO33 3LH

£685,000

Nestled in the charming town of Ryde, this stunning detached house offers a perfect blend of modern comfort and peaceful surroundings. The property, built in 2013, boasts 4 reception rooms, 5 bedrooms, and 3 bathrooms in total, providing ample space for a growing family or those who love to entertain.

One of the standout features of this property is the cleverly designed open plan ground floor layout, creating a seamless flow between the living spaces. The heat recovery system ensures a comfortable and energy-efficient environment throughout the year, while the 1 bed annex with interconnecting access to the main house offers versatility for guests or extended family members.

Situated in a tree-lined setting, this home provides a tranquil escape from the hustle and bustle of everyday life. With parking for 4 vehicles, you'll never have to worry about finding space for your cars.

Beyond the property's boundaries, the bustling town of Ryde awaits, with its beautiful beaches and high-speed mainland passenger connections, making it a convenient location for both leisure and commuting. Don't miss out on the opportunity to make this exceptional property your new home.

Annexe

The integral garage has been converted in favour of the ground floor of this two storey 1 bedroom annex. Interconnecting doors from the landing and ground floor access the annex should you wish to combine the entire accommodation or leave them locked to create an independent 1 bedroom annex. The owner has used this for family, guests and on occasion as an Airbnb. The ground could be converted back into a garage and the first floor incorporated back in to the main house accommodation if preferred.

Gardens
The well screened frontage is largely laid to paving to create parking. High evergreen hedges sit inside the front boundary either side of the gated entrance. Two raised shrub filled beds. Side access to rear garden. A lawn runs along the side to meet the rear garden containing ornamental trees for further privacy. Fence boundaries fully enclose the garden and a raised border sits inside the boundary. To keep maintenance to a minimum the rear garden is mostly laid to brick paving. Garden tap. Brick built garden shed. There is a wooded backdrop to the garden creating welcomed screening. External sockets and lighting.

Parking
The gated and pillared entrance opens into the brick paved parking area. This will accommodate 4+ vehicles. NB: The garage has been converted in favour of the annexe. However, this could easily be reversed if preferred.
