PO38 3HI

£326,000

This is a select development of 2,3 & 4 bedroom homes including bungalows. Whether you are upsizing, downsizing or buying for the first time The Shorwell will not disappoint. This charming semi detached house has been carefully designed to accommodate all the needs of the modern home owner. The separate sitting room will beckon in the evenings where one can relax in front of the television. However, during the day the open plan kitchen dining space will be the place to be for seamless access to the pretty garden and the pleasant vista this affords. In line with much needed requirements there are three bedrooms upstairs with the master being en suite and a separate family bathroom to avoid any queuing for daily ablutions. The parking hardstands are at the front of the property for essential dedicated off street parking. This appealing development is positioned within the village of Godshill with picturesque rural surroundings and a 'postcard perfect' village centre with convenience store, buses and some wonderful establishments to eat and drink. The village sits between the Island's principal town of Newport and the popular coastal town of Shanklin. Newport town is home to the most extensive range of retail shops, services and facilities found anywhere on the Island and these will be a short car journey away. A network of footpaths and bridleways navigate the rural surroundings connecting to other well-trodden routes, villages and towns.
