**£325,000**

Built circa 2018 this stunning contemporary home is part of a recent wonderfully designed development tucked away in the hamlet of Pondwell. It is nestled between the villages of Nettlestone and Seaview on the one side and the town of Ryde to the other. It is in an appealing coastal position with the beaches at Seaview nearby and the Hersey Nature Reserve to the rear which is home to nesting sea birds and local wildlife. The beautifully presented 'upside down' internal layout sees the stylish open plan living space at the first floor with a balcony from where to enjoy views of the lovely surroundings. The very smart and sleek kitchen sits to the front and is topped with quality Corian work surfaces and comes complete with an array of appliances. At ground floor there are 2 double bedrooms both with en suite shower rooms and fitted storage or wardrobes. The generous hall is home to the cloakroom w.c and under stairs storage. Bi-fold doors open on to the patio and garden and there are spaces for two cars on the driveway. Zoned underfloor heating and modern insulation combine to ensure a very good energy performance rating, B, and household costs efficiency.
