Flat 10, Georgina House, 23 Castle Street, Ryde, Isle Of Wight, PO33 2EE

£115,000

We are fortunate in Ryde to have a wonderful stretch of coastline with continuous sandy beaches and the well traveled waters of The Solent. This upper floor flat is perfectly positioned to benefit from the stunning views this affords and of course the appealing lifestyle which comes with this. Whether you are sat in the lounge or longingly peering out of the kitchen window you will be enjoying ever changing views of the of the sea as cruise ships and sailing craft pass by heading for the Channel or other ports dotted long the south coast. The beach is roughly 200 yards away from this flat as is the coastal path which circumnavigates the Island connecting other beaches, villages and towns. The smart interior is the culmination of a program of modernisation undertaken since purchased in 2017 by the previous owner. Fashionable tones throughout help highlight the big ticket items such as the smart modern kitchen and shower room. Parking for the flat is in the communal car park on the seaward side of the building and a whole host of transport options are found along the nearby Esplanade. These include regular passenger connections to Portsmouth Harbour and Southsea Promenade on the mainland as well as buses and trains for more local travel. Ryde has one of the best selections of retail shops and associated facilities found anywhere on the Island and these are just around the corner. There are several beach-side cafes, bars and restaurants found along the Esplanade too helping further to make this flat an exciting permanent residence or holiday retreat.
