From the approach to the bungalow you will notice the well maintained front garden and private driveway which leads into the garage. You are welcomed into the property via the entrance lobby, which is the perfect place to kick off your muddy boots after a walk along the South Downs National Park. The front door then leads into a wide and welcoming entrance hall which offers ample storage space and access to all of the principle rooms. The light and bright south facing lounge allows plenty of natural light to enter and has enough space for all of your soft furnishings and associated furniture. Double doors access the adjoining conservatory which is the ideal spot to sit, relax and soak up the sun. Located centrally, you will find the modern kitchen which is thoughtfully designed with functionality and aesthetics in mind. Offering neutral colours, lots of storage and sleek worktops this is the perfect place for cooking, entertaining and gathering with loved ones. There are two generously sized bedrooms and both offer fitted wardrobes and both overlook the private rear garden.
