WIGTON - OUT & ABOUT

Tall Georgian houses lining its streets, an attractive memorial fountain gracing the old market place and an elegant Georgian church are all part of the history of Wigton, an attractive traditional Cumbrian market town. The town is well placed for easy access to Carlisle just 12 miles to the north, Cockermouth approximately 15 miles to the south, and the major employment centres of West Cumbria including Workington, Whitehaven and companies linked to the Sellafield nuclear industry. On a wider note, Wigton is within easy reach of the quiet north western side of the Lake District National Park including Caldbeck and the 'Back 'o' Skiddaw' area, loved by those who appreciate the quieter reaches of this beautiful area. And just to the west lie delightful coastal areas along the Solway Estuary, much of it designated an Area of Outstanding Natural Beauty.

Wigton is home to a wide variety of local shops, supermarkets, cafés, restaurants and bars, many within the narrow lanes and alleys which are such a prominent feature of the town.
