Wigton

WASHINGTON HOMES

www.washingtonhomes.co.uk

Welcome to

Strawberry Meadows

Strawberry Meadows enjoys a lovely setting on the edge of Wigton with views opening up over surrounding countryside towards Lakeland fells in the distance, including the well known Skiddaw range. Yet it is literally just a few minutes from the centre of this traditional Cumbrian market town.

3 & 4 bedroom
detached houses

3 bedroom
semi-detached houses

2 & 3 bedroom
bungalows

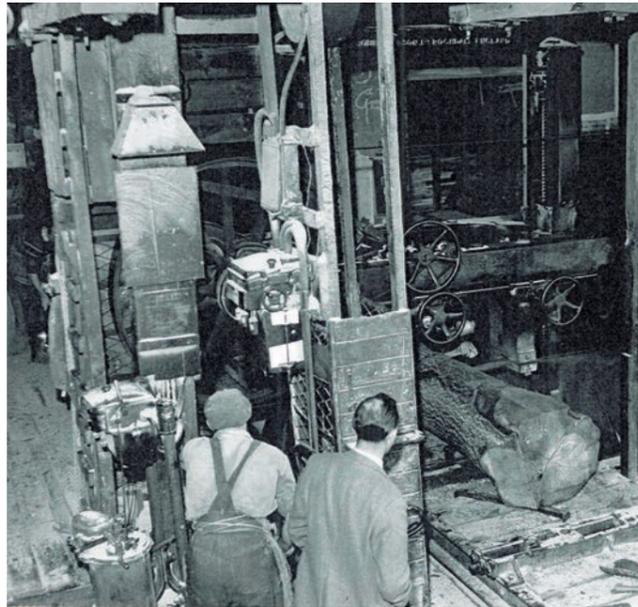

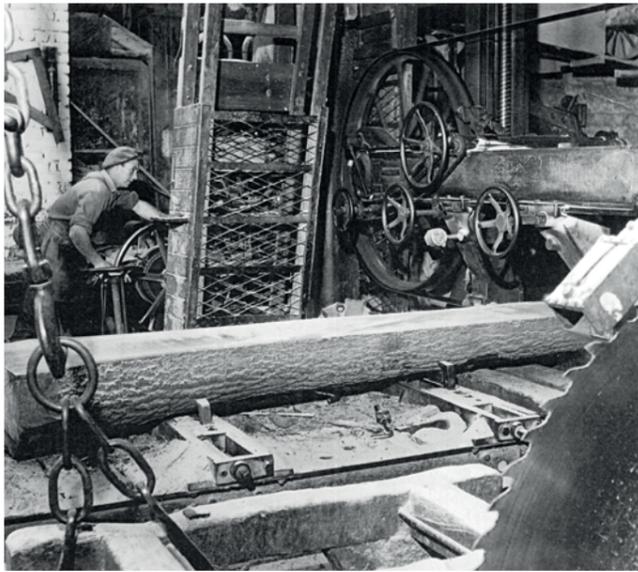

Strawberry Meadows offers an attractive range of 77 brand new homes, setting a striking approach to contemporary design and aspirational living. The exciting range includes 3 and 4 bedroom detached houses, 3 bedroom semi-detached houses, and 2 and 3 bedroom bungalows.

Thoughtful layouts reflect modern day lifestyles with open plan daytime living spaces and the latest in kitchen and bathroom designs, complemented by attractively finished exteriors with paved driveways, landscaped gardens and external lighting.

Homes of exceptional style and character, superbly finished to a truly stunning specification.

In and around Wigton

Tall Georgian houses lining its streets, an attractive memorial fountain gracing the old market place and an elegant Georgian church are all part of the history of Wigton, an attractive traditional Cumbrian market town. Wigton has a wide variety of local shops, supermarkets, cafés, restaurants and bars, many within the narrow lanes and alleys which are such a prominent feature of the town.

The town is well placed for easy access to Carlisle just 12 miles to the north, Cockermouth approximately 15 miles to the south, and the major employment centres of West Cumbria including Workington, Whitehaven and companies linked to the Sellafield nuclear industry.

On a wider note, Wigton is within easy reach of the quiet north western side of the Lake District National Park including Caldbeck and the “Back ‘o’ Skiddaw” area, loved by those who appreciate the quieter reaches of this beautiful area. And just to the west lie delightful coastal areas along the Solway Estuary, much of it designated an Area of Outstanding Natural Beauty.

Washington Homes

Part of the Thomas Armstrong Group

Established in 1830, Thomas Armstrong has grown in to a major contractor throughout the north of England and southern Scotland, completing projects over a wide range of expertise and requirements.

Buying a new home from Washington Homes offers peace of mind that you are investing in a high quality-built home with character and style, built by an experienced, well-established, Cumbrian company.

All our homes come with a 10-year insurance backed LABC Warranty and we strive to make your home buying experience easier by offering a range of home buying services.

In recent years, Washington Homes have completed a number of new residential developments within West Cumbria, taking great care to ensure they complement the setting and enhance the environment.

Washington Homes are proud to announce Strawberry Meadows, Wigton, their latest development right here in their home area.

WASHINGTON HOMES

Stunning Homes - inside & out

Strawberry Meadows is an exciting development of 77 new homes, setting a striking approach to contemporary living. At the forefront of design and sustainability, our homes include inbuilt solar PVs with inverter, energy efficient heating and ventilation, double glazed windows and high levels of wall, floor and loft insulation, keeping your home warm and cosy whilst helping you save energy and money.

Interiors are carefully designed with an emphasis on open plan daytime living spaces with french doors to terraces and gardens, blending inside and out seamlessly. Kitchens come with leading brand high end integrated appliances, stylish bathrooms are fitted with Ideal Standard suites and Mira showers, finished with Porcelanosa tiling.

Whether getting ready for work, chilling out in the evening or having a busy weekend with friends and family, these desirable new homes make for comfortable living.

- Available as standard
- Not available

The specification for our LCHO homes differs from the open market homes. Please speak to our sales executive for further details of the LCHO housing specification.

A Greener, Cleaner Lifestyle

At the forefront of design and sustainability, our homes are more efficient, greener and cleaner than ever.

Our timber frames are produced to an exacting standard using timber sourced from purpose grown, managed forests, to a code of practice that requires replanting. It is a totally renewable resource.

The outer leaf is either brick or block and render depending upon the design. The inner leaf is timber framed incorporating 120mm of insulation with 150mm insulation within the floor construction and 450mm of quilt insulation in the roof space. Our timber framed modern homes have a lower embodied carbon footprint than a masonry built equivalent.

Our solar PV panels including the inverter, as fitted to all our brand new homes at Strawberry Meadows, help you to reduce your carbon footprint and can save you money.

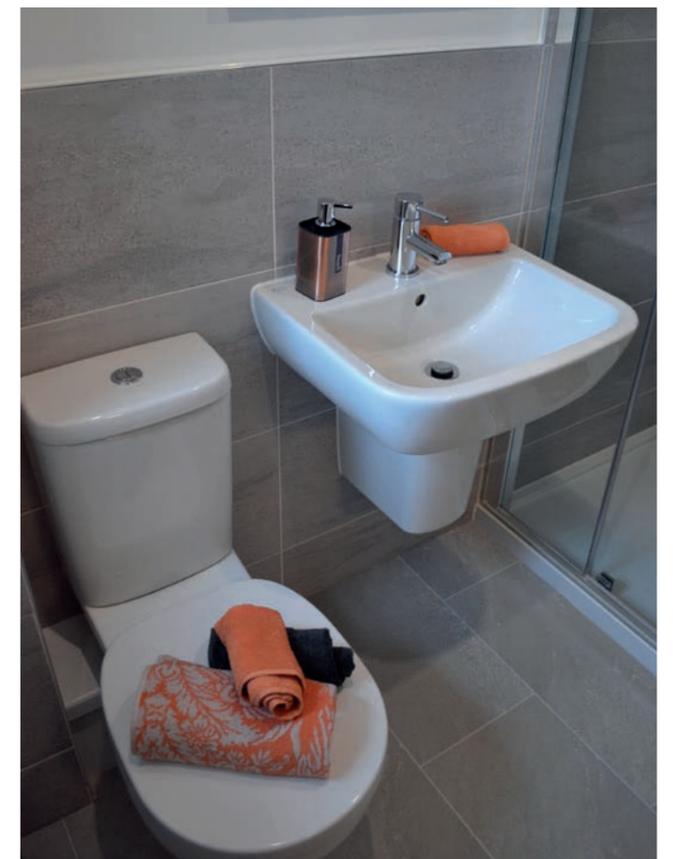

Internally, boilers and hot water systems are compliant with the Domestic Heating Compliance Guide including time and temperature zone control, delayed start stat and weather compensation control. Our Worcester Bosch boilers are 'A' rated.

Windows and doors are energy efficient, fitted with 24mm double glazed panels, compression draught seals and for maximum security, are Secured by Design compliant.

- Kitchen appliances are all 'A' rated
- Toilets are dual flush to save water
- Downlighters and room lighting are 'A' rated energy efficient LED, tailored to your home
- External lighting includes PIR sensors

Everything is designed to keep you warm, cosy and efficient in your new home, whilst helping you save energy, money and the environment.
