£510,000

The Brackmont is a striking two storey villa of 282sqm. Its handsome façade with glazed entrance vestibule reflects the scale and grandeur of the interior. These five bedroomed homes are designed for families wishing space and comfort in a countryside setting.

When it comes to getting the details right, Drumoig Developments Ltd are committed to quality throughout. We have worked with the award winning Architectural and Planning Consultants, Montgomery Forgan Associates, from the initial concept for the development through planning approvals to building approvals. We only work with high-quality brands and contractors, for example, award winning Selan Design kitchens, a UK supplier of inspirational bathroom furniture Roper Rhodes, and high quality timber built double glazed window and doors manufactured by Norwegian manufacturer Nordan Ltd..

From sleek, designer kitchens to cool, contemporary bathrooms, down to the comfort and energy efficient air-sourced underfloor heating throughout, there's plenty to fire your imagination to create that unique country living at the prestigious Drumoig location.
