Overview

A highly attractive apartment within a stylish Georgian building offering the very best combination of character, chic and modern day necessities.

A beautiful open plan kitchen/family room is ideal for entertaining and hosting the whole family or friends. A modern tiled centrepiece creates a focal point to the room and the tall windows flood the room with natural light.

The kitchen itself is well appointed with a range of built in cupboards, plenty of preparation space and perfect for those culinary experts.

The shower room is well fitted out, fully tiled and with a white suite and large shower that has plenty of elbow room.

Upstairs there are two spacious bedrooms, the principal bedroom is spacious and has built in wardrobes and an ensuite shower room which again has been fitted to an exemplary standard.

The second bedroom is a spacious double bedroom of a good proportion. There is plenty of storage in the apartment and a generally spacious feeling. Included in the sale is parking to the rear of the property and communal front garden with plenty of space for bin storage.

Leasehold: The management company is owned equally between the three apartment owners. The freehold is owned by the management company so there is no ground rent or other annual fees except for the building insurance. The company is looked after by the three apartment owners. The communal area at the property is looked after by all apartment owners.
