## Overview

Nestled in the heart of Landkey, this enchanting 3-bedroom cottage effortlessly blends traditional charm with modern comforts. As you step inside, the character of this home is immediately apparent. To your right, the welcoming dining room is perfect for hosting family meals, while to your left, the cosy living room invites you to unwind in front of the stunning inglenook fireplace, complete with an original bread oven. Both rooms are bathed in natural light through the beautifully sashed double-glazed windows, enhancing the cottage's warm and inviting atmosphere.

The modern galley kitchen at the rear of the property is well-appointed with ample cupboard and counter space, featuring integrated appliances including a dishwasher, oven, induction hob, and a sleek sink with drainer. From the kitchen, step into the delightful conservatory, a perfect spot for morning coffee or an afternoon read, with views of the garden. The ground floor is completed by a convenient WC.

Upstairs, the cottage offers three bedrooms, two doubles and one single, each with built-in wardrobes, providing plenty of storage. The family bathroom is centrally located and thoughtfully designed with a bath and overhead shower, vanity sink, and WC. An additional staircase leads from the landing to a versatile attic room, flooded with natural light from multiple Velux windows. This adaptable space is currently used for storage but offers the potential to be transformed into a fourth bedroom, playroom, or home office.
