Overview

A substantial modern barn, about 240 square metres, with the most incredible outlook over its own grass paddock, to the coastal scenery above the picturesque Lee Bay, to Lundy Island and the Atlantic ocean.

Set to the edge of and high above the beautiful coastal village of Lee Bay, with its stunning rocky bay overlooking the Atlantic Ocean, and between the holiday resort of Woolacombe, with its expanse off sandy beach stretching south to Putsborough and to the east the Victorian harbour town of Ilfracombe, which between them offer an excellent range of local facilities.

The barn is about a mile inland from Lee Bay itself on the dramatic North Devon coastline approximately mid way between Woolacombe with its beach and Ilfracombe with its harbour to the east. Barnstaple the ancient borough and administrative centre for North Devon is some 11 miles to the south east and provides an excellent range of both business and leisure facilities and direct access on to the A361 / North Devon link road which connects directly through to Junction 27 on the M5 motorway to the east side of Tiverton.
