Beautifully Presented 4/5 Bed. Character Village House, Gardens, Car Parking for 4 Cars

Drapers House, West Buckland, Barnstaple, EX32 0SF

A beautifully presented 4/5 bed roomed character village house set to the centre of the sought after village of West Buckland with 2 separate private gardens, garage and off-road parking for 4 or more vehicles within a mile or so of the noted West Buckland School and a mile north of the A361 North Devon Link Road as it runs between Barnstaple, 7 miles, the administrative centre for North Devon and the town of South Molton, about 5 miles.

West Buckland is within 3 to 5 miles of the local villages of Goodleigh, Brayford, Filleigh, Chittlehampton and Swimbridge which between them have a number of Inns and Restaurants, village primary schools, local shops and post offices and places of worship.

The property, in current ownership for more than 10 years, has been the subject of extensive tasteful refurbishment and upgrading, new windows, bespoke fitted kitchen by Ashgrove, new bathroom and new shower room with such features as boarded floors, stripped pine skirting boards, doors and the main staircase. New radiators throughout and incorporates a number of attractive Victorian fireplaces with pine surrounds and slate hearths.

The property benefits from a private rear walled courtyard garden with gravel area and separate lawned area with apple trees and shrubs and across the village road, a further private lawned area with off-road parking, former garage and summer house.

The dramatic North Devon coastline with beaches and surfing on the coast at Saunton, through Croyde and Putsborough and on to Woolacombe to the west with the rockier cliffs running from Mortehoe through to Lynton and Lynmouth and on to Porlock to the north. The A361, just over a mile to the south, allows convenient access through to junction 27 on the M5 motorway to the east side of Tiverton where there is also the Parkway railway station, from where journey times to London Paddington are approximately two hours distant.

DETAILS

To the heart of the rural village, stone-built, rendered and under a slate roof, the property has been attractively renovated and improved in current ownership to both preserve and enhance its inherent charm and character, such as board floors, stripped pine fireplace surrounds and doors, stripped pine staircase and banisters, together with modern bespoke kitchen, bathroom and shower room.

It is pleasantly set towards the centre of the popular village, with its own private rear walled garden and further private garden and off road car parking immediately across the village road to its front.

The property is conveniently located only a mile north off the A361 North Devon Link Road, between Barnstaple and South Molton.

On the ground floor, the property boasts an entrance hall with two reception rooms, cloakroom, dining room, modern bespoke kitchen, utility room, ground floor shower room, and on the first floor, 4 bedrooms with a bathroom and separate access to a first floor occasional bedroom 5/office.

The whole has central heating, new windows, and is beautifully presented.
