Garage & Off Road Parking

We are delighted to offer to the market this attractive detached bungalow which stands on a level plot in one of Braunton's most sought after cul de sac's. This very pleasant residential road is quiet, as there is little traffic and is set to the edge of the village and very close to The Great Field.

West Park comprises similar style bungalows built in the 1960's. Number 28 is of traditional cavity construction with rendered elevations. There is the benefit of majority double glazing, electric heating and an parking for a couple of cars to the front. The accommodation is a good size with 2 lounge areas, one to the front of the property with dual aspect and a feature electric fireplace which created an attractive focal point for the room and then another large lounge/diner to the rear of the property with a very pleasant aspect of the garden with sliding doors leading out, this makes for an ideal spot to enjoy a meal. The kitchen is a good size with space for a small table and chairs, double sink, space for an oven and enjoys a lovely view looking over the garden. Just off the kitchen you have a very useful lean to utility where they store the fridge-freezer and other utilities. There are 3 good sized bedrooms with the main bedroom having built in wardrobes.

This bungalow is in need of modernisation, however, there is tremendous potential to extend the accommodation by pushing out or up into the attic, Sub to PP. Therefore, this could also be of interest to a growing family upon which the new owner can place their own mark.

Bungalows of this nature and location are always in good demand, so we recommend a viewing at the earliest opportunity to avoid disappointment.
