Overview

This is a very rare opportunity to acquire a very individual semi detached bungalow which is situated away from but convenient to, the village centre. The property offers lovely and very comfortable accommodation which benefits PVC double glazing, gas fired radiator central heating (with newly fitted boiler). Furthermore, there is NO ONWARD CHAIN, therefore the property can be occupied with the minimum of delay.

The bungalow is of traditional cavity construction with rendered elevations under a concrete tiled roof. It stands on a corner plot in a slightly elevated position, so there are some views to West Hill and between houses over Branton Village, and onto the Burrows and beyond. Although you can access the property from the front, there is more convenient access from the kitchen which is to the rear. The parking is located to the rear with steps leading down to the rear patio and provides a further means of access back into the bungalow. The rooms flow nicely, with a front porch to the sitting room. This has an electric Optimyst fire which provides an attractive and pleasing focal point to the room. From here there are double doors that lead out onto the verandah which has a retractable awning and a West facing aspect.

There is a small dining area with 2 sun tubes allowing natural light to flood in and this then opens into the kitchen. This is nicely fitted with a good range of work surfaces and engineered oak style flooring. There is a newly fitted Baxi boiler feeding central heating systems. From the inner hall there is a useful storage cupboard and provides access to 2 double bedrooms and a well appointed 4 piece modern bathroom.

There is pedestrian access to the front whilst the main access is situated to the rear, there is a designated parking area with steps leading down to the rear patio. The gardens are mainly to the side, laid to lawns and slope gently to the front with plants and shrubs and enjoys a good degree of privacy. A path leads around the bungalow with steps rising up to the verandah and front entrance door.

There are a good choice of local shops, stores and coffee houses , together with a Health Centre, library, churches and public houses.

Here there are further amenities including a newly built Leisure Centre, Tarka Tennis Centre, Scotts Cinema and The Queens Theatre.
