Overview

This is a very rare opportunity to acquire this superbly presented and well proportioned 4 bedroom house, situated in the highly desirable coastal village of Woolacombe. Properties in this location rarely come to the market and therefore, we recommend a viewing at the earliest opportunity to avoid disappointment.

The Beach House is arranged over 3 floors which shares part of the ground floor footprint with the adjoining restaurant. This provides for a very well proportioned home which is sure to appeal to those persons seeking something a little different. The agents consider that there is the potential to split the property into two separate self contained apartments subject to some reconfiguration and the necessary planning permission. Therefore, offers tremendous scope and potential to create something rather special which could take advantage of the lucrative holiday market within this favoured and much sought after coastal village. Furthermore the property is also considered as a fine family home offering plenty of space which could suit a dual family occupation.

The spacious and well planned accommodation flows nicely and briefly comprises, entrance door leads into an inner lobby leading through to a generous entrance hall with staircase rising to the first floor. There is a large shower wet room having 3 separate shower enclosures, with WC and wash basin therefore, is ideal for families after a day at the beach/coastal walks where you can rinse off the sand & saltwater before venturing through the rest of the property. There is also a useful surfboard rack and space for wet suits for those surfing enthusiasts. Stairs rise to the first floor and landing, with access to a utility room and useful shower room. The open plan lounge kitchen diner is a bright and spacious room and enjoys superb views which overlooks the village, Woolacombe Bay and towards the dramatic Baggly Point headland in the far distance. There is access leading onto a balcony terrace that takes full advantage of the fine view the property affords. The kitchen has been well fitted with an attractive shaker style and has ample work tops which doubles up as a breakfast bar to one end. Furthermore to the first floor is a bedroom/sitting room that leads out onto the enclosed rear garden terrace designed with easy maintenance in mind laid with artificial lawn requiring the minimum of upkeep. From here there is access to the 2 designated car parking spaces to rear. To the second floor there are 3 further double bedrooms, bedrooms 1 & 2 located to the front each respectively enjoy splendid sea views. There is also a well fitted shower room and further shower room with 2 x separate WC and twin wash basins.

Situation
