Large Garden Are with Shed & Greenhouse

This is a very well presented detached park home which benefits calor gas heating and UPVc double glazing. The present owner has been in residence for 12 happy years and in this time has improved the property. This includes new roof work, double glazing and support work to the base. The property is easy to run and is sure to appeal to those buyers looking for a property which offers peace, tranquillity away from the hub bub but still within easy access to the village centre.

We thoroughly recommend a full internal inspection to appreciate the property with it's well planned accommodation. This comprises an entrance hall and a good size lounge. This room is double aspect with a bow window and a calor gas fire. The room then opens to the dining room with a door to the kitchen. The main bedroom has a walk in wardrobe and ensuite shower. The 2nd bedroom has a built in wardrobe. The bathroom is nicely fitted with a white suite.

The home sits on a good size double plot with 2 car tandem parking to the rear. Here there is access to the garden. As the home has a double plot, this is on of a few which benefit from a good size garden. This is easy to maintain as is laid to patio and crazy paving with flower beds. Good fencing encloses the garden so it is secure with a gate to the front. Within the garden is a greenhouse and good store shed. There is a nice outlook to the hills behind. To the front there is an open plan garden with low wall, lawn and shrub bed.

In all, this is a really good opportunity to acquire a very well presented retirement home, in a quiet area for buyers over 55 years.

The property occupies a good size double plot on this favoured Park Home development with similar style properties. The development forms part of Saunton Park which itself is to the west side of Braunton and offers easy access to the sandy beaches of Croyde and Saunton approximately 5 miles to the West. Here there is also the renowned golf club at Saunton with its two championship golf courses. The village of Braunton is considered one of the largest in the country and caters well for its inhabitants with a medical centre, churches and excellent range of local shops and stores.

A regular bus service connects to Barnstaple. This is the regional centre of North Devon and is approximately 5 miles to the South East. Here there are a wider range of amenities including the Queens Theatre, a cinema and brand new leisure centre. There is good shopping at Green Lanes and out of town shopping at Roundswell. There is access onto the North Devon link road which provides a convenient route to the M5 motorway.
