Overview

Phillips Smith & Dunn are delighted to bring to the market this deceptively spacious and immaculately presented, 4 Bedroom home in the highly sought after location of Combe Martin.

Entering the property you have a useful porch area, idea for hanging up coats and taking off shoes before leading into the main property. From the porch you walk into a big open plan living, kitchen/diner/living room. The kitchen is well stocked with gas hob and inset oven, space for a dishwasher, plenty of worktop space and cupboards for storage with the advantage of a breakfast bar. The spacious living/dining room is light with the log burner being an attractive focal point and ideal for those cozy evenings. Both the kitchen and living room complement each other nicely with a contemporary open plan design. Off the side of the kitchen there is a useful utility room and downstairs WC.

Upstairs you have 4 good sized double bedrooms with the master bedroom being double aspect with the advantage of an attractive 3 piece ensuite. The family bathroom benefits from a P-Shaped bath, tiling over the bath and mosaic style flooring. There is good potential to extend the accommodation (Sup to any required PP) into the good size roof. This would then make for a very good size family home. Furthermore, there is potential for the south facing roof to provide solar panels.

Outside you have 3 dedicated off road parking spaces just in front of the split level garden which is ideal for soaking up the sun or even for al fresco dining.

This property is currently holiday let and could be a sound buy to let investment or for a family looking at moving into the Combe Martin Area.
