Bramley Lodge is an individual home which offers a tremendous amount of space, both upstairs and downstairs. This will make an ideal family home as there are 5 double bedrooms and 3 bathrooms. We recommend a full viewing to appreciate not just the space but the lovely position within which the house sits.

Higher Park Road is considered one of the best addresses in the north Devon area and Bramley Lodge sits nicely within the road surrounded by its gardens which provide a good degree of privacy. As you turn into the plot, there is ample parking and turning space with access to a double garage. Steps lead up to the front sun deck which is over the garage. This is a super area to dine al fresco, as it is spacious and there is a purpose built in BBQ within the chimney breast. A beautiful and prolific wisteria grows through the balustrading which surrounds the sun deck. The gardens are delightful and have a wide range of plants, flowers, fruit trees and a large greenhouse. There are many areas to sit and enjoy the peaceful surroundings and a kitchen garden is to the right hand side of the plot.

The rooms flow nicely through the property. The hall leads to the well fitted kitchen which is open plan to the dining room. This is over 10 meters long and opens into the bright, triple aspect living room with wood burner and has patio doors out onto the sun deck. The main bedroom has a large dressing room with wardrobes, a cloakroom and bathroom with walk in shower cabin with great features including fold up seat and body spray. There are 3 further bedrooms, shower room a separate family bathroom and a useful utility room.

To the first floor there is a whopping games room with a full size snooker table included. This is a super area for teenagers and adults alike to entertain and be entertained. There are 2 further beds to this floor and very generous eaves storage space.

In all, this is a very attractive home constructed in late 1960's/ early 1970's of tradition cavity construction with pleasing part exposed stone and part textured render under a tiled roof. The property has UPVc double glazing, gas fired central heating with Solar back up, so this is a economic and easy to run family home.
