- Air Source Heat Pump Water Tank
- 10 Year Build Warranty
- Conveniently Located
- Quality Finishing Throughout
- EPC: TBC

Description

Riversmeet homes are superbly situated, with unending views of beautiful countryside, combined with a short walk distance to the supermarket, a local gym (the Gym Braunton), shops, cafes, doctors, primary and secondary schools, church and only a ten minute drive to one of the best links courses in the UK - the Saunton Golf Club. Riversmeet is at the starting point to access areas of amazing natural beauty - Crow Point, the Burrows and Saunton Sands and Croyde. The famous Tarka Trail, popular with cyclists and hikers runs adjacent to the site. Another 30 minutes further afield is the spectacular surfing beach at Woolacombe Bay and the dramatic landscapes of Exmoor on the north coast of Devon.

Situation

The open market houses are arranged to maximise the southerly views across the downs with all benefitting from water frontage onto the River Caen and Knowle Water. The rivers add a special dimension to the site with the tide ebbing and flowing and varying depths throughout the year, and with river banks abundant with wildlife such as Otters.

The houses are contemporary in design with white render all with a fully glazed elevation facing toward the view south. They are entered from an attractive paved courtyard with window boxes to break up the pattern of the elevations, making these an attractive feature internally.

The houses are conventionally arranged with living areas on the ground floor and bedrooms above with sloping mono pitch roof. A paved terrace between the living area and the waterfront provides a splendid external dining / barbecue area for the warmer months as a transition between outdoor and indoor living. Bathrooms, stairs and kitchens are planned on the north, non view elevations.

Ample parking is provided in the entrance courtyard, which is landscaped to add to the appealing look of the development.
