14 Down View Road, Denbury, Newton Abbot, TQ12 6ER

A five bedroom detached property in one of Denbury's most sought after cul-de-sacs, Down View Road; a wide sweeping road with a limited number of properties. These homes offer buyers the opportunity of rural living within a well-established village whilst offering excellent facilities that many more modern properties lack, such as an abundance of parking, a garage, separate utility room and fantastic internal space. The village is within easy reach of Newton Abbot, Totnes and Ashburton and offers its own excellent primary school, public house The Union Inn, village hall, tennis courts and ancient church in the village centre.

The Accommodation:

Entering the property through the uPVC front door, you are greeted with an entrance hallway which is carpeted and decorated in light, neutral tones. From the hallway is the downstairs WC, the excellent-sized lounge which is positioned to the front of the property with superb views across rolling countryside from a large window, the room is an excellent size to accommodate even the largest of living room furniture! To the rear of the property is the kitchen/diner. The kitchen is a white shaker design offering space for a dishwasher, built-in wall mounted electric double oven, and separate built-in gas hob, the kitchen has a central double sink with ample wooden worktops and storage space. Through a squared archway from the kitchen is the dining area with good space for a table and chairs with large side window allowing plenty of light. Off the kitchen is the utility room with built-in sink and additional storage along with space for the washing machine and fridge/freezer. From the utility is an outside rear door for access either to the back garden or the large single garage with power and light, work bench and space for the tumble dryer.

Upstairs there is a central landing with access to five bedrooms, there are two good sized single bedrooms and three doubles, all of which are a good size and bedroom two boasts an en-suite shower and basin. Bedrooms one, three and five benefit from built-in wardrobes. There is also the family bathroom with large side window, bath, WC and basin. The main bedroom is positioned to the front of the property and is a truly superb double bedroom with incredible views across Denbury

Down and rolling countryside, the room also has a modern shower room en-suite which has a walk-in shower, electric mirror and heated towel rail. The property is fully double-glazed and has gas central heating.
