Situated in the lee of St Andrew's Church in the heart of the village of Ipplepen, is this beautifully presented period cottage.

Seamlessly blending a period feel with modern benefits, the light-filled home has been the subject of much improvement over recent times to include the replacement of the roof covering, a combination boiler and the replacement of the windows and the front door. At the rear is charming cottage-style garden with neatly-tended lawn, all privately enclosed partly by attractive stone walls.

The highly sought-after and well-served village of Ipplepen is located around four miles from the market town of Newton Abbot and five miles from the historic town of Totnes which sits on the banks of the picturesque River Dart and is famous for its bohemian atmosphere. The village offers a most active and vibrant lifestyle opportunity, with many clubs and societies. Village amenities within easy reach include a small supermarket, popular inn/restaurant, primary school, health centre and village hall.

On the first floor, the part-galleried landing provides access to two double bedrooms and a first-class bathroom with bath and separate shower cabinet.
