Laurier Road, Dartmouth Park, NW5 1SG

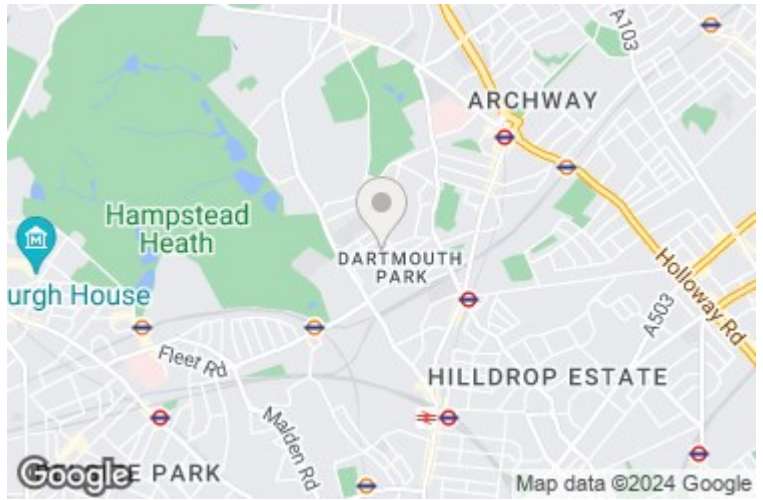

£1,675,000

A particularly unique two double bedroom maisonette within a converted Victorian property, located on a quiet residential street in the heart of Dartmouth Park. The apartment is arranged over two floors, with well-planned accommodation throughout. On the lower ground floor there is a large reception room and a guest cloakroom to the front, with a good sized country style kitchen and extended dining room with underfloor heating, found at the rear. This leads to a charming garden, of approximately 42ft in length, providing an overall sense of tranquility and serenity, and offering a private peaceful escape in this quiet corner of Zone 2. To the raised ground floor level are the two double bedrooms, along with a bathroom. Laurier Road is a pretty tree-lined street within Dartmouth Park, which is exceptionally popular due to the easy walking distance to Hampstead Heath, and the Northern Line at Tufnell Park. There are several shops and restaurants to be found locally, on both York Rise and Swain's Lane. In our opinion this property is a real find for this location. Rare of its type, benefiting from its own private entrance, and featuring such an idyllic private garden, it offers so much to the oncoming purchaser.
