Highgate West Hill, London, N6 6LU

£5,250,000

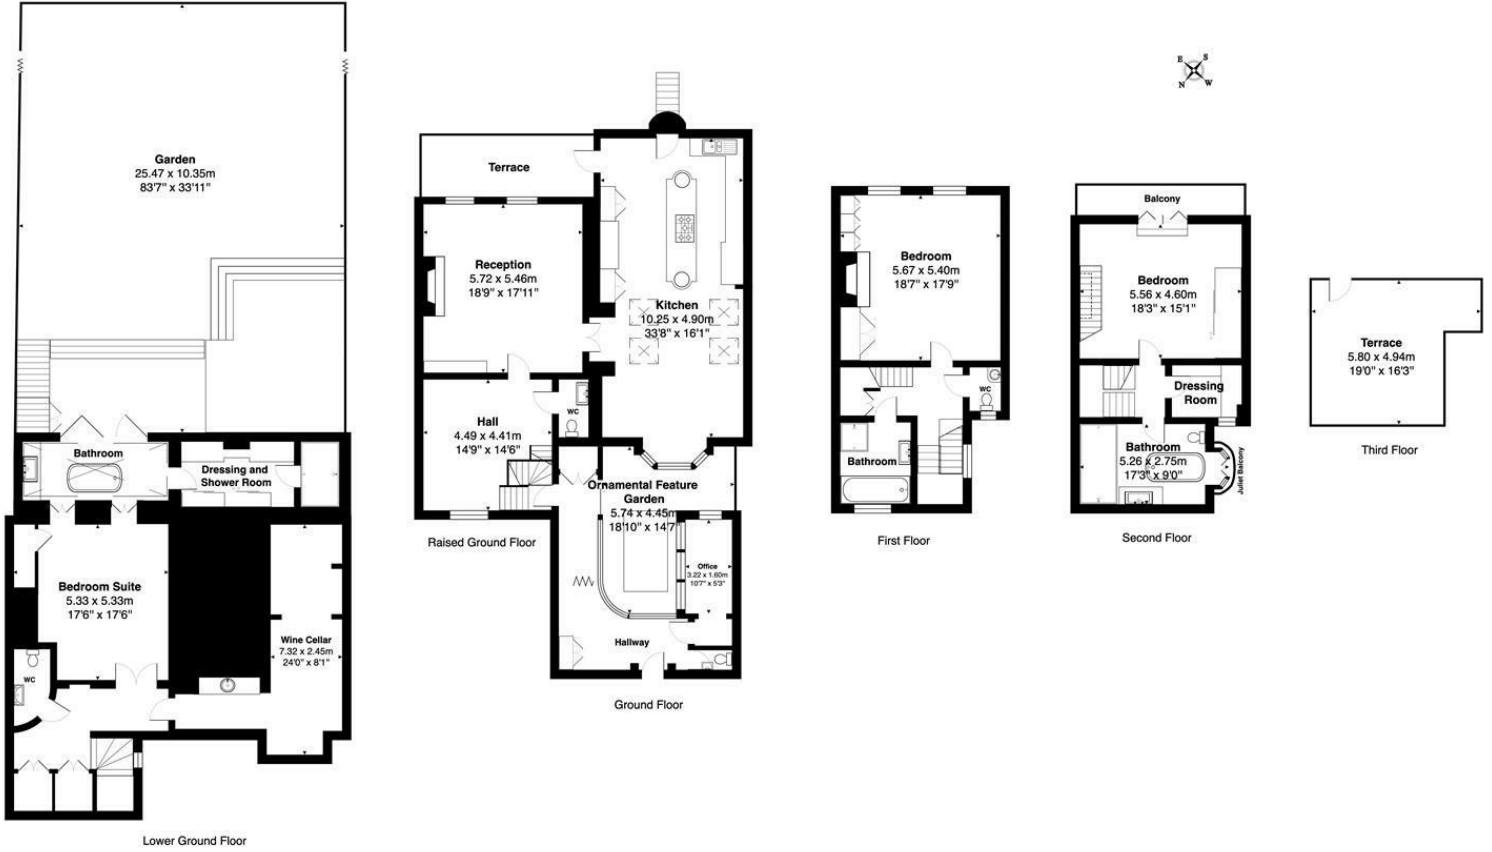

A rare chance to acquire this unique Georgian "lifestyle" house in one of Highgate's premiere locations. The house seamlessly combines the scale and splendour of the Georgian era with modern design and function. This 3,700 sq ft, Grade II listed home is truly magnificent and enjoys a sunny, 83' landscaped rear garden. In addition, a large roof terrace affords breath-taking views over London, the City skyline and Hampstead Heath. A large, double volume kitchen adds to the theatre as does its period rich reception room. This is a statement property and its impressive yet discreet exterior gives little clue about the gem that lies within.
