

# Energy performance certificate (EPC)

|                                                                                                        |                           |                                                     |
|--------------------------------------------------------------------------------------------------------|---------------------------|-----------------------------------------------------|
| Unit 6<br>Seven Gables Court<br>Oldmedow Road<br>Hardwick Industrial Estate<br>KING'S LYNN<br>PE30 4JL | Energy rating<br><b>E</b> | Valid until: <b>3 March 2032</b>                    |
|                                                                                                        |                           | Certificate number: <b>5460-6624-6986-8397-3508</b> |

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| Property type    | B2 to B7 General Industrial and Special Industrial Groups |
| Total floor area | 209 square metres                                         |

## Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

## Energy rating and score

This property’s energy rating is E.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property’s carbon emissions are likely to be.

## How this property compares to others

Properties similar to this one could have ratings:

|                                  |       |
|----------------------------------|-------|
| If newly built                   | 39 B  |
| If typical of the existing stock | 113 E |

## Breakdown of this property’s energy performance

|                      |                                 |
|----------------------|---------------------------------|
| Main heating fuel    | Natural Gas                     |
| Building environment | Heating and Natural Ventilation |

|                                                                         |        |
|-------------------------------------------------------------------------|--------|
| <b>Assessment level</b>                                                 | 3      |
| <b>Building emission rate (kgCO<sub>2</sub>/m<sup>2</sup> per year)</b> | 128.97 |
| <b>Primary energy use (kWh/m<sup>2</sup> per year)</b>                  | 758    |

## Recommendation report

Guidance on improving the energy performance of this property can be found in the [recommendation report \(/energy-certificate/3013-1307-6572-4788-6432\)](/energy-certificate/3013-1307-6572-4788-6432).

## Who to contact about this certificate

### Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| <b>Assessor's name</b> | Richard Williams                                                     |
| <b>Telephone</b>       | 01485 520523                                                         |
| <b>Email</b>           | <a href="mailto:info@navitas-energy.com">info@navitas-energy.com</a> |

### Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

|                             |                                                                                    |
