LOCATION

The property lies in an enviable and exclusive setting, close to the waters edge, this charming riverside village would have been a hive of activity in Victorian times with the wide and sheltered waters of the River Tamar being used as a busy thoroughfare transporting agricultural goods to Plymouth. Cargreen has a yacht club with deep water moorings believed to be available on the River Tamar, a primary school at Landulph Cross and a community hall. The Landulph peninsula is one of the regions most scenic positions. The Tamar Valley was granted World Heritage Status in 2006 and is an Area of Outstanding Natural Beauty. The waters of Plymouth Sound lie about 7 miles to the south by boat.

Additional recreational facilities can be found at St. Mellion International Golf Resort. The waterside town of Saltash, includes a Waitrose store on its northern outskirts. Plymouth is accessible via the A38 and provides a wide range of facilities including a cross channel ferry port and mainline railway station (Plymouth - London Paddington 3hrs).
