LOCATION

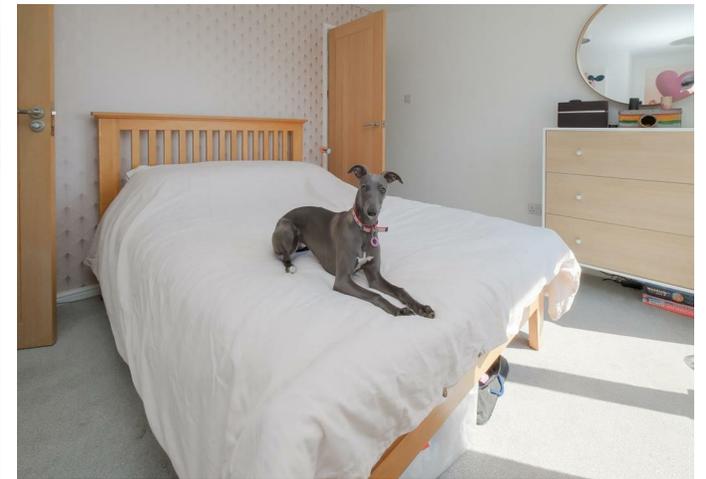

Mippitys Creek is situated in a south facing and prized near beachfront position within about 280 yards of Downderry Beach on a stretch of coastline often referred to as the Cornish Riviera and renowned for its mild maritime climate. The constant passage of commercial, naval and pleasure craft across the bay, provides an extraordinary, distracting and inspirational outlook.

Downderry together with the neighbouring beachside village of Seaton have a primary school (rated "good" by Ofsted), restaurant, beachside public house, church, beach café, doctors' surgery and the community are currently in the process of creating a community shop. Similar facilities are available at St Germans, which also has a main line railway station providing a useful commuter link to Plymouth (Plymouth to London Paddington 3 hours). Seaton also has a Countryside Park with riverside and woodland walks.

Downderry was, in recent years, noted by the Sunday Times in a list of the top ten "Best Places to Live by the sea". Golf is available at Portwrinkle, St Mellion International Golf Resort, or Looe Bindown. The South West Coast Path is accessed nearby with parts of the neighbouring coastline in the ownership of the National Trust. The beach has a slipway and offers the opportunity to keep and launch boats (by permit). Seaton beach benefits from a RNLI Lifeguard station during the summer.

The sailing waters of the area are favoured by yachtsmen and deep water moorings are available on the Rivers Lynher and Tamar at St Germans, Saltash and Fowey/Polruan. Saltash has a Waitrose store on its northern outskirts and the city of Plymouth offers an abundance of facilities centred around the historic and fascinating waterfront areas of the Barbican and Hoe. The Tamar Valley Area of Outstanding Beauty, the famous surfing beaches of North Cornwall, historic country houses and many other places of interest lie within an easy drive.
