There is an abundance of observable natural flora and fauna surrounding the lodge.

This detached lodge style house is presented to a superb contemporary standard and is designed with reverse level accommodation, allowing the upper level the advantage of the fine views and with level garden access at both ground and first floor levels. The property is of interesting architectural appeal and is ideally suited to investors and those seeking a rural retreat with the ability to enjoy the facilities that the adjacent 4 Star St Mellion International Golf Resort offers, including its highly popular restaurant, leisure and spa facilities.
