

Anderton Road,

£362,000

KLARICO Estate Agents are delighted to present this unique opportunity to acquire a 7 bedroom mid terraced property located within a popular part of Birmingham. This property provides a range of opportunity from the possibility of becoming a large family home, or investment opportunity by way of a licensed HMO (stpp).

The ground floor provides 2 large reception rooms along with a kitchen. Further facilities include a W.C and dedicated utility area. The first floor provides another 4 bedrooms along with a family bathroom and separate W.C. Access can then be found to the second floor which then provides another 3 bedrooms and W.C.

As the floor plan suggests, there is plenty of room to the property to become a large family home, but also the opportunity for an investment by means of an exempt HMO for supported living or licensed HMO for room lets, both of which would yield attractive returns on investment. The property is in need of modernising but provides a good starting point depending on the direction of the intended buyer.
