Messrs Fields themselves and for the vendors or lessors of this property whose agents they are given notice that: [1] the particulars are in good faith and are set out as a general guide only and do not constitute any part of contract; [2] no person in the employment of Messrs Fields has any authority to make or give any responsibility or warranty whatever in relation to this property.
Generated on 31/05/2024

Features:

- 0.78 Acre Recycling Site
- Easily accessible
- Rural location no immediate neighbours
- Rare planning permission
- Available immediately

EPC - EPC exempt - No building present

Location

The land is located off the B4011, Bicester Road in between Long Crendon and Oakley. The surrounding area is predominantly farm land with easy access off the B4011. Junction 8 of the M40 is located under 10 miles away.

Description

The land is an inert recycling facility. The site extends to 0.78 acres (0.31 hectares) and has an environmental permit for inert recycling.

This site offers a rare opportunity, with a use that permits the transfer of waste and the temporary storage of highways related materials.

This site benefits from its own private access off the B4011.

Rates

The property lies within the rating area of Aylesbury Vale, according to which the rateable value is as follows:

Rateable value - To be assessed

Rates Payable - To be assessed

Rates payable can be affected by transitional arrangements, and we would recommend that interested parties should make further enquiries for clarification.
