## 51 Cell Barnes Lane

St. Albans, AL1 5PT

An extended semi-detached house with a flexible detached two story annex to the rear, conveniently located for local shops, schools and the mainline station. There's an opportunity to convert the annex into a totally separate dwelling (subject to council permission) or both properties would make an excellent addition to a rental portfolio and is offered with the benefit of no onward chain.

The house begins with a welcoming entrance hall with doors to rooms and stairs to the first floor with storage below. The comfortable lounge has a window to the front and flows through folding glass doors to an extended family room with double doors to the rear garden and a door to the kitchen. The extended kitchen offers plenty of storage with a range of wall and base units with space for a dining table. The first floor landing has a hatch to the loft and doors to three bedrooms and a family bathroom with shower cubicle.

Externally there's a driveway for two cars with a passageway to the side of the house with a gate leading to the rear. The back garden has a patio area, raised beds and a lawn area with a pathway leading to a two bedroom detached annex. The annex can be accessed via a door from the garden and also a separate front door onto Wingate Way. The property offers an open plan living space and a fitted kitchen with integrated appliances, plus a useful utility room and downstairs W.C. The first floor leads immediately in to the master bedroom with two skylight windows, a walk in wardrobe, a second bedroom or a separate dressing area and an en-suite bathroom.
